## What's New in the AutoCAD?

Live part edit helps you quickly add details to your CAD model, while maintaining the integrity of your drawing. Once you place your changes in the drawing, AutoCAD 2023 will scan and import them into the CAD model automatically. (video: 2:05 min.) Review and reimport all your comments from a markup history. Reimport all changes and all comments from the previous revision of your CAD drawing to the current revision. (video: 1:15 min.) Markup Assist: Navigate your drawing using the context sensitive ribbon with a simplified markup interface. (video: 2:06 min.) More help: Extend your learning time to a full year. You can download a trial of AutoCAD 2023 until the end of the year to be able to use all the new features in AutoCAD and AutoCAD LT. As always, if you need help or have questions, please contact your local Autodesk sales representative or visit your local Autodesk reseller. Autodesk, AutoCAD, AutoCAD LT, and Civil 3D are registered trademarks or trademarks of Autodesk, Inc., and/or its subsidiaries and/or affiliates in the USA and/or other countries. Actions Olympic gold medalist Donnie Thompson was given a concussion after a late hit in practice on Friday. 3:14 AM: Thompson suffered a concussion after getting hit in the head on a play in practice. He was taken off the ice in a helmet. Kirby Lee/USA TODAY Sports 3:09 AM: After several hits in practice, Thompson came down hard after a play and went down on the ice. The play was ruled a minor penalty to New York Rangers defenseman Kevin Klein. 2:55 AM: Thompson took a heavy hit to the head in practice and left the ice for good. The Scottsdale, Ariz. native has 15 goals and 21 points in 40 games with the Coyotes this season.Solid-state

## **System Requirements:**

The developer is quite specific regarding this, so there is no mention of system requirements anywhere else. They seem to be reasonably accommodating of a wide range of systems. - iOS 10.0+ - Android 4.1+ - Window \$8.99 - Mac \$12.99 - Ouya \$12.99 - Linux and Windows (It's a.exe file, I'm not sure if it works on Windows) - Playstation 4, Xbox One, and Wii U (It
