Planet Zoo Free Download Full Version The Planet Zoo - Crazy game, where players take on the role of zoo manager. You must figure out how to get the most out of the zoo, and save it from being shut down. This pet is really big! It's time to take your first steps on this huge planet. Your strategy will be to organise your crew well, keep control of the animal that attacks you and make it from your base to explore the surroundings. Once you're able to raise your own bird farm, you'll be able to grow your own fish. Before long your farm is so big that all the animals will travel to it to eat your food. Once your bird farm is large enough, you can start to breed your animals. The animals will have different eating habits. Some like milk, others meat. They'll also give you the chance to reach new levels in the game. Once you find the right balance of happiness, hunger and temperature, you'll be able to get the most of your animals. Features 8 different animals 20 levels Challenging gameplay Lots of achievements A boss at the end of each mission Achievements, levels and missions 3 difficulty levels Breed your animals Increasingly difficult game Collect big amounts of money How to play: Move your mouse over the screen to make the flying spaceship move. To pick up items, use the mouse to click on them. How to Breed your Animals: Pick a bird in your zoo to breed with. When you're done, click on the table to display all the babies that have been born. How to keep your zoo clean: Click on the table to display all the animals in your zoo. Pick one and press F to remove it from the table. Key Features Each level has several objectives to reach, which will all have to be achieved in order to successfully complete the level.
