Important: Whatever Happened to the Swinger? By Allen Carr. The Swinger is a blend of sex, psychology and marketing. It is a programme developed to drive more traffic to your website by being a set of sexy stories. Inside you will find stories about couples and swinger parties. Inside you will find stories that will not only sex your imagination, but will also prepare your mind for the stories that follow. I would recommend this as an evening read before bedtime. It is light hearted sex stories and entertaining. The same subject matter is found in Richard Branson's book, Sex You Must. An interesting read. .
